you know what i mean when
the first guy drops you know
everybody feels sick or
when they throw in a few gas
and the oh baby shrapnel
or my feet getting dim freezing or
up to your you know what in water or
with the bugs crawling right all up
all everywhere over you all me everyone
that's been there knows what
i mean a god damned lot of
people don't and never
never
will know,
they don't want
