

4.

April”

 this letter’s dated

 “23,

1946” and if anything

could prove the unprovable coming of such a spring

as nobody every imagined(including me)

Joe(for it’s he)Gould’s final remark would more
 than execute perform achieve and do
 the socalled trick with a universe to spare
 (a universe far from excluding you)

so let us now pay strict attention “Af
 ter all our genial friend the atomic bomb
 is merely the transmutation of metal dream
 ed of by mediaeval alchemists.” Paragraph

(who sighed “a rose,By any other name
 would smell as”?

 Juliet)

 “Hoping you’re the same
