

35

light's lives lurch

a once world quickly from rises

army the gradual of unbeing(fro
on stiffening greenly air and to ghosts go
drift slippery hands tease slim float twitter faces)
only stand with me,love!against these its
until you are and until i am dreams

until comes vast dark until sink last things

(least all turns almost now;now almost swims
into a hair's width:into less?into

not)

love,stand with me while silence sings

not into nothing and nothing into never
and never into(touch mellove)forever
—until is and shall be and was are night's

total exploding millionminded Who
