

## GOD

Great, good, just, kind and loving God,  
Oh! tell us how we can ever  
Thank Thee enough for what Thou hast done!  
For the bond that none can sever,  
That binds us mortals close to Thee,  
And gives us wisdom and eyes to see.

For it is Thou who gives us strength  
To try to be like Thee.  
And working, pushing toward the goal  
Of purity;  
We let our better nature shine  
Illumined by Thy light divine.
