

## LIII

breathe with me this fear  
(which beyond night shall go)  
remembering only dare  
(Wholly consider how

these immaculate thin  
things half daemon half  
tree among sunset dream  
acute from root to leaf)

but should voices (whom lure  
an eagerest strict flame)  
demand the metaphor  
of our projectile am

tell such to murder time  
(forgetting what's to know  
wholly imagining fire)  
only consider How
