

these people socalled were not given hearts  
how should they be?their socalled hearts would **think**  
these socalled people have no minds but if  
they had their minds socalled would not exist

but if these not existing minds took life  
such life could not begin to live id est  
breathe but if such life could its breath would stink

and as for souls why souls are wholes not parts  
but all these hundreds upon thousands of  
people socalled if multiplied by twice  
infinity could never equal one)

which may your million selves and my suffice  
to through the only mystery of love  
become while every sun goes round its moon
