precisely as unbig a why as i'm  
(almost too small for death's because to find)  
may,given perfect mercy, live a dream  
larger than alive any star goes round

—a dream sans meaning(or whatever kills)  
a giving who(no taking simply which)  
a marvel every breathing creature feels  
(but none can think)a learning under teach—

precisely as unbig as i'm a why  
(almost too small for dying's huge because)  
given much mercy more than even the  
mercy of perfect sunlight after days

of dark,will climb;will blossom:will sing(like  
april's own april and awake's awake)
