

X

hips loOsest OOping shoulders blonde& pastoral hair,strong,
arms and smelling of HAY
woman in a carotcoloured skin yellow face chipsofanger splayed
from GriNDing-mouth waist pulledup on oneside SHOWED her
sweaty corset.

eyeslike smoky idols

girl,iceblue hair huGe lips like orangepeels,waV ingagreat
tricolour

yelling silently

cheery-nose square pash eyes splut
tering warenoch ofscarlet on right-breast legs
monumentally aPart
(Girl)flagstuck in her breasts. she bent her neck and bit It
jam mingIt deeper—pink—complexion tooth gone left side red
we epingeye s CHUBBY

their grey hands tired of making Death Probable

hairycheeks faces like hugestrawberries
they pass a funeral in
silence and their branches had a terrible greenness

La Grève the Goddess
