

I

O the sun comes up-up-up in the opening

sky(the all the
any merry every pretty each

bird sings birds sing
gay-be-gay because today's today)the
romp cries i and the me purrs

you and the gentle
who-horns says-does moo-woo
(the prance with the
three white its stimpstamps)

the grintgrunt wugglewiggle
champychumpchomps yes
the speckled strut begins to scretch and
scratch-scrutch

and scritch(while
the no-she-yes-he fluffies tittle
tattle did-he-does-she)& the

ree ray rye roh
rowster shouts

rawrOO
