

neither awake  
(there's your general  
yas buy gad)  
nor asleep

booted & spurred  
with an apish grin  
(extremely like  
but quite absurd

gloved fist on hip  
& the scowl of a cannibal)  
there's your mineral  
general animal

(five foot five)  
neither dead  
nor alive  
(in real the rain)
